

## **Assembly Instructions** **Hen House 1 Bay 1.2W x 2.0H x 1.2L**

- Semi-constructed, precut components. Simple, graphic step by step instructions.
- Please read instructions before beginning assembly.
- Please identify and check all parts on delivery with components schedule included.
- To ensure your kitset shed is kept in top condition please store out of the weather and assemble ASAP to prevent any possible distortion of the timber components prior to assembling.
